

**Good afternoon,**

I am writing to notify you of some opportunities to join the FASC team.

- We will soon have a vacancy in Tasmania for a **councillor role**, following Mark Miers advising me that he wished to step down from his role after our AGM in March.
- Since joining us in November 2018, Mark has been a very active contributor to FASC, including a stint as a board observer, and most recently as part of the Business Restructure project team, which Mark will continue to be a part of until the project is complete.
- Mark is focusing on a new on-farm partnership at Winnaleah in north-east Tasmania, in addition to his existing role managing the Clovelly business for Ingleby Farms. I certainly understand and respect Mark's need to focus on this for the moment. A big thank you to Mark for his significant contribution.
- The application process for this role is to read the content in the [application form attached here](#) and return the form on page three to us by the due date (11 Feb). Should you have an interest in applying for this role and have any questions not covered in the application form, please feel free to contact any member of the Tasmanian FASC or Farm Source teams.
- Our constitution ensures that we advise you in advance of any pending Supplier Director roles that will be open at our upcoming AGM. We also have a requirement that directors appointed after the previous AGM need to retire and offer themselves up for re-election.
- At our AGM on 23rd March this year in Warrnambool, your Tasmanian Regional Director Nigel Brock will be retiring as per these rules.
- Nigel has confirmed that he will be re-nominating for this role.
- Should you have an interest in putting yourself forward to challenge for this director role in Tasmania, the [application form and associated nomination process can be found here](#).

Any questions can also be directed to our Company Secretary Will Kermode on [will.kermode@fonterra.com](mailto:will.kermode@fonterra.com)

Applications for both roles will close on Friday 11 February.

Kind Regards,  
Alan Davenport  
Chair – Fonterra Australia Suppliers' Council
