

Hi,

Following the appointment of Alan Davenport to the role of FASC Chair effective next week, I am writing to let you know that the new Tasmanian Regional Director will be Nigel Brock.

Nigel's farm is in the mid north of Tasmania and he is active in the dairy community, as a member of Meander Valley Irrigation Scheme Advisory Committee as well as being the TFGA Dairy Council Vice Chairman.

Please join me in welcoming Nigel to the FASC Board.

I would also like to advise that we have 2 upcoming vacancies in our FASC Councillor team – one in the East and one in Tasmania.

The East vacancy comes as Kate Lamb finishes with us after her retirement from dairy and the Tasmanian vacancy due to Nigel's move to the FASC Board. All interested suppliers in the East and Tasmania are encouraged to apply for the roles in their respective region.

To apply for this role please read and complete the attached letter and position description which [can be found by clicking here](#).

Should you have an interest in applying for either role or have any questions, please feel free to contact our Company Secretary Will Kermode (0409 232 992 or will.kermode@fonterra.com), one of your local FASC team or your local Farm Source team.

The details on how to apply are also on [our website](#). Applications are due to be returned by Friday 2nd July.

And finally, a big thank you to all suppliers for the opportunity to represent you and your endorsement of the changes we made to our organisation.

Kind regards

John Dalton
Chair – Fonterra Australia Suppliers' Council
